

FACE COVERINGS REQUIRED

HELP PREVENT THE SPREAD OF COVID-19

Face coverings are required when inside this facility. Face coverings help prevent the spread of respiratory droplets, which can spread COVID-19.

- Always have your face covering for in-person interactions or instances where you may be in close contact with individuals, such as hallways or restrooms. You may remove your face covering when you are alone in an office or workspace.
- Your face covering must cover your nose and mouth completely.
- Do not touch your mask while wearing it. Use the mask ear straps or ties to take it off.
- Make sure you wash or sanitize your hands frequently and sanitize your work areas regularly.
- Maintain a distance of at least six feet apart from other people when possible.
- Stay home if you are ill or fear you are becoming ill.
