May 19<sup>th</sup> at 4pm -- Virtual Networking Event

Minnesota NAHRO is excited to offer a fun, interactive, online event highlighting our Spring Conference vendors and sponsors. Our Virtual Spring Conference will bring together leadership and staff from housing and redevelopment authorities and community development agencies throughout Minnesota. The two-day conference will feature national experts and timely sessions.

Our Virtual Networking Event will be the capstone to our first day, Wednesday, May 19<sup>th</sup> at 4pm. This event will provide an opportunity for participants to interact and includes a gift card raffle for those attending showcasing our vendors.

We also plan to mail all registered participants a conference "swag bag" with fun promotional items and conference materials. As a vendor or sponsor, you will be offered the opportunity to include an item (must be small, lightweight & easily mailable). Please contact Minnesota NAHRO to discuss details and timeline.
