National Training for Maintenance

Maintenance is the cornerstone of asset management and is often how most residents interact with your agency on a regular basis. Our two day national training is provided by the experts at Nelrod and consists of sessions tailored specifically for maintenance staff. The National Training for Maintenance includes the following:

- Fair Housing for Maintenance Staff on Wednesday afternoon (2 sessions)
- The Day in the Life of a Maintenance Worker all day Thursday (4 sessions)

When you sign up for the national training, it includes all the Maintenance sessions plus Friday for the low cost of \$695. Lunch provided each day as well as the Vendor Receptions on Wednesday and Thursday evening. Dinner is on your own and there are many options available onsite. **Advanced registration and payment required.**
